PARENT NEWSLETTER OF LAVEEN ELEMENTARY SCHOOL • JUNE/JULY, 2023

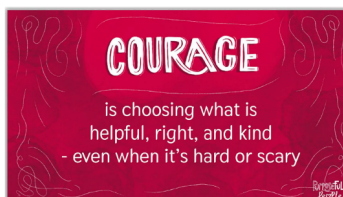

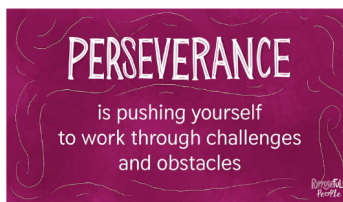

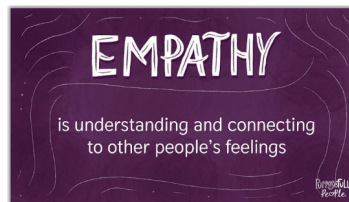

Dear Parents and Guardians,

We believe that it is an entire community's responsibility to help students grow into kind and compassionate adults. We also know how challenging this can be in the current climate of social media and other distractions. In a time when testing and academics feel like the most important aspect of education, we can lose focus on investing in the whole child and the habits and traits that make them successful in all areas of life.

We are excited to announce that starting in the 2023-24 school year, Laveen Elementary will be a "Character Strong School!" All aspects of our mindfulness program will remain the same and will instead become a vital component of our character education program. Teachers will be trained in July and students will be introduced to lessons in August. Each month, we will share more about "Character Strong" in parent newsletters!

is... *Character Strong*

With continued gratitude for your support, *Dr. Robert Caplinger, Principal*

FREE SUMMER READING PROGRAM

Summer reading is critical, not only to help kids maintain learning while school is out, but to also foster their social-emotional development, discover the joy of stories, and elevate the importance of lifelong learning. **The Scholastic Summer Reading Program** offers kids an exciting, free, and safe summer reading experience, while helping to provide books to kids with limited or no access over the summer, keeping every child reading. **Through September 7**, kids can visit the summer zone in Scholastic Home Base, a **completely free** and super fun digital destination which offers stories, characters, games, and a community of readers. Scholastic’s Home Base is **moderated for safety** 24/7. Let’s keep our students reading all summer long!
